

SESSION 3

Preparing for JA JobSpark

OVERVIEW

Students will prepare for their experience at JA JobSpark. They will learn more about career clusters and education needed to work in certain careers. Students will learn about the importance of asking questions and engaging with the JA JobSpark presenters. Tips will be given on what to do on the day of JA JobSpark. Also, students will be given the opportunity to do a practice demo on the virtual platform.

OBJECTIVES

- Students will understand the format of JA JobSpark and expectations for the day.
- Students will learn why it is important to ask questions and will identify and/or create questions for the JA JobSpark presenter.
- Students will gain an understanding of the education level needed and salaries earned in certain jobs.

PREPARATION

1. **Post the student website, if you have not already done so. If you are posting specific links to the e-learning platform for this session, post what you desire.**
2. You can download and print off any materials from the student link, if a hard copy is desired. Students will want to download the Emoji Card, Notes Page, and Questions. They may want to print a hard copy as well.
3. Review the program book, located on the webpage in session 3, so you are aware of the information provided. You may plan some discussion questions around information in the program book.
4. Watch the video, “Asking the Right Questions”. View the discussion question at the end of the video. Prepare any additional questions for discussion.
5. Complete the practice demo in session three so you can answer any of the student’s questions.
6. Remind students to submit the completed emoji card to you (if desired) and to JAJobSpark@jaindy.org.

MATERIALS

- Make sure you have posted the website or links in session three to the e-learning platform. All materials and links for students are located in this button.
- Charged computer
- Pen or pencil and earbuds
- Zoom platform, Flipgrid, or any other discussion board platform your school uses (if learning remotely).
- Student program book (electronic link)

Please note that this session requires use of the JA JobSpark program book.

This session should be completed after September 9th. An electronic copy of the program book is available on the student link in this session.

The information in this session should be shared close to the day of JA JobSpark so students are well organized and prepared for the day. We suggest doing this session the Thursday, Friday, or Monday prior to your JA JobSpark day (9/16, 9/17, or 9/21).
