The screenshot shows a course interface with a teal navigation bar at the top containing links for Course Home, Content, Quizzes, Surveys, Classlist, Class Progress, and Course Admin. Below this is a search bar for 'Survey [8/33.01]' and a 'Hidden' toggle. A left sidebar contains a list of items: 'Unit One: Financial Literacy' (expanded), 'Unit One: Teacher Guide', 'Unit One: Educator Overview', 'Unit One: Citizen Guide', 'Lesson 1: Financial Services' (expanded), 'Onscreen Presentation' (highlighted with a yellow box and a blue border), 'Bingo Pads', 'Financial Services Adv', and 'Cookie'. The main content area displays 'Financial Literacy: Financial Services' with a lesson player for 'Financial Literacy: Lesson 1'. The player features a cityscape background, a sign that says 'Financial Services', and a green airplane icon. At the bottom of the player are controls for play/pause, volume, settings, and a 'NEXT' button.

Once you click on the OnScreen Presentation icon
